

Great News!

You no longer need to contact Claiborne Parish School Board to find out information concerning your child's Pandemic EBT benefits!

Remember, the P-EBT funds are paid directly from the Louisiana Department of Children and Family Services (DCFS) NOT Claiborne Parish School Board. Please follow the following steps to create your very own account so that you can easily view and receive information directly about your student's P-EBT benefits. The power is now in your hands!

1. First you will need your child's Student ID Number (SIDNO). You can get this number from the "Parent Command Center" on the Claiborne Parish website. Here is a link: <https://grades.claibornepsb.org/progress/>
2. If you have never logged in to the Parent Command Center you will need to register and create an account for each of your children using the last 5 digits in their social security number. This is called the "PSN Number" in the registration. If you attempt to create an account and it should fail, call your child's school and make sure your information (parent name, child name, spelling of each, middle initial, address, etc.) all match what the school has in the system.
3. Once you get into the Parent Command Center you will be able to see your child's Student ID Number.
4. You are now ready to create a CAFÉ account.
5. Go to the following link and create a CAFÉ account with DCFS.

<http://www.dcfsla.gov/page/pebt-parent-portal>

DCFS has set up a P-EBT customer service hotline specifically for your questions. If you have any problems or questions, please contact the P-EBT customer service hotline at: 1-888-997-1117. They are best able to answer your questions and help you because this is **their** program.
